6-11-08	Replaced the basement 4' fluorescent fixture. Cleaned out all gutter and gutter guards. Cleaned off the roof. Patched the roof over the family room. Had Action help me clean out the drainage ADS tube. Found that it just ended with a cap underground so I turned it up to come out at ground level. (Lots of digging in mud). Repaired rotted out window framing above the family room.	225.00
