Thank You

Items loose anywhere due to improper laying or wear is customer's risk. Any concerns about quality after 14 days will be handled at the discretion of Actually Clean. It is sometimes necessary to dispose of waste water on permeable surfaces like tile, which is acceptable with the Clean Water Act. Carpets are damp and after cleaning, customers assume risks associated therewith. Customer understands that the IICRC, insurance companies and/or Actually Clean recommends that surfaces contaminated with unclean water during damage claims should be replaced.
